HIGHLIGHTS OF 2017

In 2017, SAGS has achieved remarkable results in ground handling operations and corporate performances.

ENHANCED BRAND IDENTITY & HEAD OFFICE RELOCATION

After 12 years, our logo has been enhanced into a more modern and professional design targeting the new heights for SAGS.

In December 2017, our head office has been moved to the new location at 02 Song Day, Ward 02, Tan Binh District, Ho Chi Minh City.

NEW AIRLINE CUSTOMERS

Throughout 2017, SAGS has been appointed as the comprehensive ground services provider for many airlines, scheduled and charter, across our airport network including Jeju Air (SGN), Jetstar Australia (SGN), SF Airlines (SGN), Air Asia Thailand (DAD), Okay Airways (DAD), Air Asia Malaysia (CXR).

100% SAFE FLIGHT HANDLING

SAGS has continued to secure 100% safe handling for over 60 airlines in 2017. "SAGS SAFETY CULTURE" has been established in compliance to the IATA Safety Audit for Ground Operations (ISAGO) and airline safety policies, which is conducted through our SSQ (Safety Security Quality) Program for every single service scope.

SAGS CAM RANH CERTIFIED WITH ISAGO & ISO9001

After one year of establishment, SAGS Cam Ranh has been successfully certified with the IATA Safety Audit For Ground Operations (ISAGO) with the outstanding result of "Zero Finding" and the Quality Management System ISO 9001-2015.

SAGS DA NANG OFFERED SAFE & EXCELLENT SERVICES FOR APEC 2017

SAGS has delivered safe and excellent ground services to 40 flights servicing leaders of 8 countries, regions and territories such as USA, Canada, and Australia during the APEC Economic Leaders' Week 2017 in Da Nang City. Simultaneously, SAGS is honored to handle Canadian Prime Minister's flight during the visit to Ho Chi Minh City.

2018 PERSPECTIVE

As the year 2018 has started, SAGS will look forward to innovating ourselves by capitalizing on key industry technology to bring more values to our valued customers.
